## SYNOPSIS OF CONTENTS

---

R. L. Polk & Co.'s Ann Arbor and Ypsilanti City and Washtenaw County Directory for 1908 contains 928 pages, of these pages 17 to 49 are devoted to useful miscellaneous information relating to the City of Ann Arbor, embracing a street and avenue guide, city and county officers, banks, churches; public, miscellaneous and private schools, hospitals, incorporated companies, secret and benevolent societies, clubs, newspapers, the postoffice, railroads, courts, etc., etc. This is followed by an alphabetically arranged directory of business firms and private citizens in the City of Ann Arbor. A precisely similar arrangement follows for Ypsilanti. Following the same and beginning on 581 is an alphabetically arranged directory of business firms and private citizens in the several villages in Washtenaw County. Succeeding the above matter is a classified business directory of the two cities and the villages in the county, comprising a list of all persons engaged in business or the professions, classified under their respective callings. A directory of farmers in each township in Washtenaw County, alphabetically arranged, is contained in the concluding pages of the book.

PUBLISHED BY

James S. Allen  
GENERAL STENOGRAPHER AND REPORTER  
27 DWIGHT BUILDING  
JACKSON, MICHIGAN

Feb. 1, 1908.

Messrs. Merchants, Manufacturers & Everybody,  
Anywhere, Mich.

Dear Sirs:

This is a sample of the imitation typewritten letters which I can furnish you in any quantity desired--from one hundred to one hundred thousand.

I can fill in individual names and addresses, or furnish you typewriter ribbons with which you can do so and secure an absolute match in color and appearance. In fact, I guarantee them to be perfect facsimiles of typewritten letters, and when individual addresses are inserted that they will appear like, and be taken for personal letters.

These letters are not printed or mimeographed, but are duplicated with a special typewriter, using typewriter type and a typewriter ribbon, and space for space and line for line they are exactly as if written upon a typewriter. No letter printed on a press can compare with them. This is one I did in my office and had bound in this directory.

This sample will speak for the quality of the work; the prices I will quote on request will surprise you as to cost.

Soliciting your orders, I am,

Yours respectfully,

(See other side.)

*James S. Allen*

## FACSIMILE TYPEWRITTEN LETTERS & POSTAL CARDS

Perfect imitation of typewriting.

(See sample on other side.)

Can be used for:

Soliciting business.

Urging payment of accounts.

Notices to stockholders, customers or to the trade.

Announcing special sales, openings, or any special feature of your business.

Any trade or business announcement.

Notices to Lodge or Society members.

Postal cards or anything you wish duplicated in quantities.

### PRICES

The cost of these letters is small. Ask for schedule of prices; or submit sample of your work, and I will quote price.

### COLORS

Can furnish these letters in purple, blue or black.

Can furnish ribbons for any typewriter to match above colors. These are same as ordinary typewriter ribbons, and can be used in the regular course of business.

### PAPER

These letters will be on your own letter heads or on plain paper, as desired.

A small number of letter heads can be sent by mail, third class, very cheaply; larger quantities as advertising matter at a very low express rate, making shipping expense a small item.

We publish over 250 city, county, state and national trade directories, therefore have unexcelled facilities for furnishing lists of any trades and professions that are not covered by our national Trade Directories.

As **Directory Publishers**, we have available for use in compiling our lists the manuscript matter that we intend utilizing in directories being compiled, and can therefore give our patrons the benefit of up-to-date information before it appears in type and consequently before it is in the hands of firms whose business is solely furnishing lists of names.

We address and mail envelopes, wrappers, etc.

Prices and prospectus of any of our directories and lists sent on application.
